

# Performance of Fame India Scheme

Since inception of the Phase-I of FAME-India Scheme, about 2.8 lakh hybrid and electric vehicles (xEVs) have been supported through Demand Incentives. As pilot project, about 425 electric/ hybrid buses were sanctioned to various States (city transport undertaking) supported by Department of Heavy Industry (DHI) under FAME-India Scheme (Faster Adoption of Electric (and Hybrid) Vehicles in India). However, since Automobile Sector is a liberalized Sector, the Department of Heavy Industry is not required to maintain the data related to sale of vehicles including Electrical vehicles.

This information was given by the Union Minister for Road Transport and Highways Shri Nitin Gadkari in a written reply in Rajya Sabha today.
