

KVIC Generated 10.58 Lakh Additional Employment Opportunities during Last Two Years

In reply to a question in Lok Sabha today, Shri Nitin Gadkari, Union Minister for Micro, Small and Medium Enterprises informed that during the last two years, Khadi and Village Industries Commission (KVIC) has generated additional employment opportunities of 10.58 lakh persons under Khadi and Village Industries in the country which is as follows:

(Employment in lakh persons)

Year	Cumulative Employment	New Employment
2017-18	140.36	3.96
2018-19 (provisional)	146.98	6.62

Khadi and Village Industries Commission (KVIC) is a statutory body created by an act of Parliament. The social objective of the KVIC is providing employment in rural as well as urban areas of the country.

KVIC functions with the Central Office, Mumbai in association with 46 State/ Divisional/Sub Offices all over the country, 6 Zonal offices at New Delhi (North Zone), Bhopal (Central Zone), Kolkata (East Zone), Guwahati (North East Zone), Bengaluru (South Zone) and Mumbai (West Zone). 7 Departmental Sales Outlets having 23 branches, 18 Departmental Training Centres, 17 Non-Departmental Training Centres and 5 Central Sliver Plants. In addition to this, 34 State and UT Khadi and Village Industries Boards (KVIBs) and over 8058 Retail Sales Outlets are also functioning.

2) Khadi Programme: For the development and promotion of Khadi Programme, KVIC implements following Schemes with the support of 34 State/UT Khadi and Village Industries Boards (KVIBs) and 2632 Khadi Institutions:

- i. Market Promotion and Development Assistance (MPDA).
- ii. Interest Subsidy Eligibility Certificate (ISEC)
- iii. AamAdmiBimaYojana (erstwhile Jana Shree BimaYojana)
- iv. Artisans Welfare Fund Trust (AWFT)
- v. Workshed Scheme for Khadi Artisans
- vi. Strengthening of Infrastructure of Existing Weak Khadi Institutions and Assistance for Marketing Infrastructure.

3) Village Industries Programme is broadly classified under seven groups for the purpose of implementation of its programmes, which are as under:

- i. Agro Based and Food Processing Industry (ABFPI)
- ii. Forest Based Industry (FBI)
- iii. Hand Made Paper and Fibre Industry (HMPFI)
- iv. Mineral Based Industry (MBI)
- v. Polymer and Chemical Based Industry (PCBI)
- vi. Rural Engineering and Bio-Technology Industry (REBT)
- vii. Service & Textile Industry

4) Khadi Reform and Development Programme (KRDP) aims to revitalize the khadi sector with enhanced sustainability of khadi, increased incomes and employment for spinners and weavers, increased artisans' welfare and to achieve synergy with village industries. Under KRDP, restructured amount of US\$ 105 million had been negotiated with Asian Development Bank (ADB) and funds are being provided to the Government of India to be released to KVIC as 'grants-in-aid' under budgetary allocation through the Ministry of MSME. Khadi Reform Package' envisages reform support in the following areas: (i) Artisan Earnings and Empowerment, (ii) Direct Reform Assistance to 400 Khadi Institutions & (iii) Implementation of a well-knit MIS.

5) Scheme of Fund for Regeneration of Traditional Industries (SFURTI) has been under implementation since 2005-06 for making Traditional Industries more productive and competitive by organizing the Traditional Industries and artisans into clusters. The Scheme envisages providing need-based assistance for replacement of production equipment, setting up of common facility centres (CFC), product development, quality improvement, improved marketing, training and capacity

building etc. The scheme was modified as revamped SFURTI scheme during 2016-17.

6) Capacity Building (CB): KVIC conducts training programmes through 40 departmental and non-departmental training centres. These training centres impart need-based training under various disciplines viz. Soap and Detergent making, Food Items, Bakery Products, Ready Made Garments, Beekeeping, Agaratti making, candle making, motor winding etc.

7) Science & Technology: Research and Development (R&D) is a vital input for stepping up productivity by bringing improvement in equipment and manufacturing techniques of the craftsman. KVIC continued to increase the productivity and earnings of artisans and make the production process more artisan-friendly by reducing drudgery in their work. Various advance technologies have been developed under Research & Development schemes of KVIC, which bring a significant difference in the quality, productivity and packaging of the products manufactured by the rural industries sector.

In addition to above, KVIC is also implementing following programmes for promotion and development of traditional industries viz. Beekeeping (Honey Mission) and Pottery Development Programme (KumharSashaktikaranProgramme):

i) Bee-Keeping (Honey Mission): KVIC launched Honey (Bee) Mission in July, 2017 for promoting Beekeeping and generating employment in the beekeeping potential States of the country.

ii) Pottery Programme (KumharSashaktikaran): Under this programme KVIC identify the areas where clusters of traditional pottery workers are available and provide them training and electric pottery wheels and other tools like blunger, Pug Mill, etc.

All Public sectors Banks with a network of more than one lakh branches spread over the country, KVIC, KVIBs and DICs are implementing Prime Minister's Employment Generation Programme, and other Khadi and Village Industries

Schemes are implementing through NGOs, Khadi and V.I. Institutions', units and entrepreneurs spread all over the country.
