

46 Highway Nest (Mini) operational on NHs

The Highway Nest (Mini) project has been launched by National Highways Authority of India (NHAI) for providing facilities for the convenience of highway users. The Highway Nest (Mini) is under construction at all the 372 toll plazas on upside and downside of National Highways approximately at a distance of 200-250 m from the toll plazas. Highway Nest (Mini) will provide for drinking water, tea/coffee, packaged food/eatables and toilets for ladies/gents and physically challenged persons. 46 Highway Nests (Mini) have been constructed so far as follows:-
