

## Amenities for Commuters on National Highways

The National Highways Authority of India (NHAI) has identified 33 sites for the development of wayside amenities along National Highways as a pilot project. The complexes will provide facilities for car and bus passengers and truckers to relax, revive and refresh, thus helping to reduce driver fatigue, resulting in making roads travel safe and comfortable. The details of the identified sites are as follows :

<b>Setting Up and Operations of Wayside Amenities on National Highways in India (List of 33 Sites)</b>
