

## **All NHAI run toll plazas soon to have Highway Nest (Mini) food and beverage kiosks**

Toll plazas run by NHAI will soon have kiosks selling drinking water, tea/coffee, and packaged food for the convenience of highways users. Termed as **Highway Nest (Mini)**, these kiosks are under construction on both up-side and down-side at all 372 NH run toll plazas. These kiosks are being built on 10mx20 m paved platforms about 200-250 m from the toll plaza. Toilet facilities for ladies/gents and physically challenged persons are also available at these sites.

Two Highway Nests (Mini) have been inaugurated already - one at Narayanpura toll plaza on NH-76 on Udaipur-Chittorgarh-Kota route under Regional Office, Jaipur and another at Hyderabad-Vijaywada section of NH-65, Korlapahad toll plazas at km 118.250 (TP-2) under RO Hyderabad. Efforts are being made to have the Highway Nest (Mini) in place on all the remaining toll plazas by the end of March 2018.
