

Daily Road Construction Targets fixed

The Ministry of Road Transport and Highways had fixed the ambitious target of 15,000 km which comes out to be around 41 km per day for the current financial year but the target for the next financial year is not yet fixed. Total 10,471 km of National Highways has been constructed during the last two financial year 2014-15 and 2015-16. About 16 km per day was of last year and 20 km per day in the current financial year 2016-17 as on 28th Feb which is likely to be greater than this by the end of March in 2016-17.

This information was given by the Minister of State for Road Transport and Highways Shri Mansukh L. Mandavia in written reply to a question in Rajya Sabha today.
