

J.K.Tyres commenced export of radial tyres through New Mangalore Port

M/s.J.K. Tyres, Mysore, commenced exports of tyres through New Mangalore Port. The Port witnessed a land mark achievement on account of the aggressive business promotion drive initiated by the Port Administration. After protracted business initiatives and liasoning with the top management of M/s.J.K.Tyres, Mysore, Port was successful in convincing J.K.Tyres to commence their operation and commit their exports through New Mangalore Port.

As a result, the first consignment of trial shipment of 40 High Cube container was exported from Mangalore. The container was factory stuffed at Mysore and shipped on vessel **M.V.TIGER GOMAN** on 18-6-2016.

The consignment is destined for Manzanillo Mexico. M/s.J.K.Tyres have assured the Port of increase in volume of shipments through New Mangalore Port and transport radial tyres in bulk for stuffing inside the Port, to enjoy the cost advantage.

New Mangalore Port Management has expressed their gratitude to J.K.Tyres, Commissioner of Customs, Mangalore, M/s. MSC Lines and M/s.Cargolinks, who are their C&F agents for the successful handling of this new consignment.
